GEAUXPASS LA1 Toll Rates

What is *GEAUXPASS* and how does it work?

GeauxPass is a transponder (toll tag) that is electronically linked to a prepaid account. The GeauxPass and associated account allows you to use Louisiana toll roads like the LA 1 Expressway without having to stop and pay for the toll. Toll fees are deducted electronically from the prepaid GeauxPass account.

How much is a *GEAUXPASS*?

For a non-removable, sticker GeauxPass is $12.50.
In addition to the tag fee, a toll pre-payment is required to open your GeauxPass account. Your GeauxPass account is the fund that tolls are deducted from each time you use a GeauxPass toll system. The minimum for this pre-payment is $20 and may be made by cash, check, debit or credit card (MasterCard, Visa, Discover or Amex).
