

Federal-aid Essentials for Local Public Agencies

The Federal Highway Administration introduces an online library of dynamic videos and related materials specifically designed for local public agencies. This new resource highlights key components of the Federal-aid Highway Program, offering valuable and helpful information to manage federally funded transportation projects. The materials are featured on a new Web site called [Federal-aid Essentials for Local Public Agencies](#).

Federal-aid *Simplified*.

UNDERSTANDING THE ESSENTIALS

[Federal-aid Essentials for Local Public Agencies](#) is a gateway to up-to-date materials, and an extensive directory of State resources and Federal contacts. It is an online library of informational video modules, designed to help local public agencies answer the important questions about federally funded projects.

Available 24 hours a day, on most devices with Internet access, [Federal-aid Essentials for Local Public Agencies](#) is readily accessible and available when you want an answer. Each module addresses a single topic presented in plain language—condensing the complex regulations and requirements of the Federal-aid Highway Program into easy-to-understand language and illustrated examples. Brief, concise, and to the point—each video is less than 10 minutes long and highlights a critical topic essential to the successful delivery of a federally funded project. Videos can be viewed online in any order and at any time. Companion resources accompany each presentation, along with links to further resources.

[Federal-aid Essentials for Local Public Agencies](#) is organized around main categories:

- Federal-aid Program Overview
- Civil Rights
- Environment
- Finance
- Right-of-Way
- Project Development
- Project Construction & Contract Administration

The Web site allows you to indicate areas of interest and receive alerts when new material becomes available. You also can give feedback that will help FHWA continue to provide useful assistance through this Web site.

[Federal-aid Essentials for Local Public Agencies](#) presents what you need to know about the Federal-aid Highway Program. It is designed to help local agency staff navigate the Federal-aid Highway Program and to further understand the benefits of the policies, procedures, and practices. Your State department of transportation – your DOT – is very knowledgeable about Federal-aid projects and continues to be your primary resource for complying with Federal requirements. The Federal-aid Essentials Web site also includes a comprehensive listing of State Resources, consisting of links to local program Web sites, manuals, references, local technical assistance programs, and local program coordinators.

A Peek Inside the Library

Federal-aid Essentials can become your personal reference library available 24 hours a day. Consult Federal-aid Essentials at the start of a new roadway project concept, or when questions arise about financing, right-of-way, or environmental impacts. Or, you may have an interest in civil rights, or a need for more information on project development or construction administration. You may simply want to review the process to closeout a project. Federal-aid Essentials offers a wide range of video modules to address questions and concerns.
