MEMORANDUM FOR:

MR. R. B. RICHARDSON  
DIRECTOR

I attach, hereto, a copy of "Louisiana Manual on Uniform Traffic Control Devices 1949" which is recommended for adoption as a Department standard by the Traffic and Planning Section.

This manual is adopted from, and is substantially in confirmation with, the Manual on Uniform Traffic Control Devices adopted as a standard by American Association of State Highway Officials.

If the manual has your approval please indicate it hereon and copies will be distributed to Department employees requiring it in connection with their duties.

Respectfully submitted,
