§1607. Prequalification of bidders and proposers

The office of state procurement may provide for prequalification of bidders and proposers as responsible prospective contractors. Solicitation mailing lists of potential contractors shall include but shall not necessarily be limited to such prequalified bidders and proposers. §1608. Cost or pricing data

(ii) Notwithstanding the provisions of Item (i) of this Subparagraph, where a request for proposal or a proposed contract is exempt from the application of Subparagraphs (a) through (d) of Paragraph (1) of this Subsection, the proposer shall be required to pay a sum not to exceed one percent of the total value of the performance-based energy efficiency contract at the time that a contract is executed by that proposer.

(b) The determination of the sum to be paid shall be made by the commissioner of administration according to the rules and regulations adopted pursuant to this Section.

(c) The "Energy Performance Contract Fund", hereinafter referred to as the "fund", is hereby created in the state treasury. After compliance with the provisions of Article VII, Section 9(B) of the Constitution of Louisiana relative to the allocation of monies to the Bond Security and Redemption Fund, the treasury shall deposit into the fund an amount equal to the amount collected pursuant to Subparagraphs (a) and (b) of this Paragraph. The monies in the fund shall be used only to fund the requirements of this Section and the rules promulgated pursuant thereto. Monies in the fund shall be invested in the same manner as monies in the state general fund and any interest earned on the investment of monies in the fund shall be credited to the fund. Unexpended and unencumbered monies in the fund at the end of the fiscal year shall remain in the fund.

F. For the purposes of this Section, any appropriation to an agency shall not be deemed an appropriation of funds by the legislature to fulfill the requirements of a performance-based energy efficiency contract awarded on or after January 1, 2010, unless and until such contract has been approved in accordance with the provisions of this Section.

G. For the purposes of this Section, the energy efficiency procurement support team shall consist of an attorney chosen jointly by the speaker of the House of Representatives and the president of the Senate from the legislative services staff of the House of Representatives or the staff of the Senate and one or more representatives chosen by each of the following: the division of administration, facility planning and control; the using agency initiating the procurement action; and the legislative fiscal office. At least four members, one from each office or agency designated, must be present to constitute a quorum. The energy efficiency procurement support team shall evaluate the submitted proposal in accordance with guidelines to be published by the division of administration.

H. Notwithstanding the requirements of Subsection C of this Section, if, at any time after the execution of a performance-based energy efficiency contract, a state agency makes a unilateral change or modification to the scope of work under the contract, the annual energy cost savings attributable to the services or equipment shall be adjusted to account for any expended costs and any projected savings that can no longer be measured or verified as a result of the change or modification. However, any adjustment that reduces the annual energy cost savings attributable to the services or equipment by twenty percent or more shall require approval of the Joint Legislative Committee on the Budget prior to the amendment of the contract. This Subsection shall apply to all performance-based energy efficiency contracts in effect on and after January 1, 2010, and all future contracts executed pursuant to this Section.

The state chief procurement officer shall promulgate, as necessary, rules and regulations relative to the form and content of a cost-benefit analysis.

§1624. Approval of contract; penalties

A. Contracts and agreements by and in name of state agencies. All contracts and agreements for the lease or rental of space for the housing of state agencies, their personnel, operations, equipment, or activities shall be made in the name of and by the authorized representative or representative body of the state agency but shall be made and entered into only with the approval of the commissioner of administration. The cost of such housing shall be provided for in and defrayed from the budgets of the using agencies.

B. Contracts and agreements by and in name of the state, executed by the commissioner.

(1) When a contract or agreement for the lease or rental of space for the housing of state agencies, their personnel, operation, equipment, or activities, shall pertain to more than one building or facility or shall pertain to a building or facility which is to house more than one state agency, their personnel, operation, equipment, or activities, such contract or agreement may be made in the name of the state and executed by the commissioner of administration, rather than in the name of and by an authorized representative or a representative body of the state agency or agencies to be housed in such building or buildings or facility or facilities.

(2) The commissioner of administration shall allocate space to one or more state agencies in the building or buildings or facility or facilities to which such contract or agreement pertains and shall allocate the cost of such housing to or among such using agency or agencies, which cost shall be provided for in and defrayed from the budgets of the using agency or agencies. The commissioner shall determine the amount of the allocations of the costs of such housing to the various agencies using such building or buildings and facility or facilities in such manner so that the aggregate of the amount so allocated equals the total cost of such housing.

C. Definition of "agency." The definition of "agency" stated in R.S. 39:2(2) shall be the sole definition of the term "state agency" employed in connection with the acquisition of housing space in this and following Sections, and the fact that an agency is supported by fees or taxes collected by, or dedicated to, the agency or which otherwise receives its operating funds through means other than direct appropriations, shall not be a test as to whether this Section shall be applicable to an agency of the state.

D. Applicability. The provisions of this Subpart shall be applicable to all agencies meeting the definition of R.S. 39:2(2) established by the laws of Louisiana.

§1642. Uniform space standards; inventory and evaluation of budget unit space utilization

These standards shall also provide for a uniform method of measuring square footage or other measurements used as the basis for lease payments or other charges.

B. Inventory of state space. The division of administration shall conduct and maintain a complete inventory of state space, both owned and leased.

C. Evaluation of space utilization. The division of administration shall evaluate the utilization of all leased space on a continuing basis to determine the feasibility of locating state agencies in buildings to be purchased and/or constructed by the state.

§1643. Advertisement and award of lease bids

A. Every lease for the use of five thousand square feet or more of space in a privately owned building entered into by a state agency as lessee shall be awarded pursuant to R.S. 39:1594 in accordance with the conditions for use set forth in that Section and only after evaluation of the bids in accordance with the specific criteria contained in the invitation for bids as authorized by R.S. 39:1594(E)(2). No such lease shall extend beyond a period of ten years.

B. The ten-year limitation shall not be applicable to the management boards created under Article VIII, Sections 6 and 7 of the 1974 Louisiana Constitution.

§1644. Amendment of leases

A. (1) An existing lease for office or warehouse space may be renegotiated with the present lessor, but only after the division of administration has entered into a competitive negotiation process involving discussions with at least three, unless there are less than three, proposers who submit written proposals. Such proposals shall be solicited by advertising as in R.S. 39:1594(C).

(2) If it is determined by the commissioner of administration or his designee, after the evaluation of these proposals and discussions with the current lessor, that to renew the present lease would be in the best interest of the state, the renewal of an existing lease may be renegotiated or the commissioner may enter into a lease with one of these proposers if determined to be in the state's best interest. In making such a determination the commissioner, or his designee, shall take into consideration, over the duration of the lease, rental rates, the amount of funds necessary to relocate, any geographical considerations particular to that state program, the amount of disruption to state business that may be incurred in moving to a new location, and any other relevant factors presented.

B. Any lease for office or warehouse space for under five thousand square feet may be amended up to but not to exceed a maximum of four thousand nine hundred ninety-nine square feet.

C. Existing leases for office or warehouse space between a single state agency, a single lessor and affecting a single building or buildings immediately adjacent to each other which leases have different termination dates, may be renegotiated by the division of administration to perfect a single lease for the whole of the office or warehouse space utilized under the existing leases. The renegotiated lease shall not extend beyond the termination date of the latest existing lease, nor shall the price per square foot paid under the new lease result in a total payment in excess of the total of the combined payments under the preexisting leases.

D. In the event alterations or modifications of space currently under lease are required to meet changed operating requirements, a lease may be amended. Such lease amendment may, with approval of the division of administration, provide an adjustment in monthly lease payments not to exceed twenty-five percent of the original annual lease price per square foot, sufficient to reimburse the lessor for paying for the leasehold improvements; provided, however, that any adjustment in monthly lease payments shall also require the approval of the Joint Legislative Committee on the Budget and the continuance of an adjustment in excess of the current lease shall be further contingent on the appropriation of funds therefor in the following fiscal year.

E. A lease may be amended, with approval of the division of administration, to provide an adjustment in monthly lease payments not to exceed ten percent of the original annual lease price per square foot and not to exceed ten thousand dollars per year.

B. Except as provided in Paragraph (A)(2) of this Section, whenever such proprietary specifications are used, the specifications shall clearly state that they are used only to denote the quality standard of supplies, services, or major repairs desired and that they do not restrict bidders to the specific brand, make, manufacturer, or specification named; that they are used only to set forth and convey to prospective bidders the general style, type, character, and quality of supplies, services, or major repairs desired; and that equivalent supplies, services, or major repairs will be acceptable.

Upon such determination by the chief procurement officer, no court shall enjoin progress under the award except after notice and hearing.

In addition to any other relief, when the protest is administratively or judicially sustained and the protesting bidder or proposer should have been awarded the contract but is not, the protesting bidder or proposer shall be entitled to the reasonable costs incurred in connection with the solicitation, including bid or proposal preparation costs other than attorney fees, provided that any administrative determination of such costs shall be subject to the written concurrence of the attorney general.

The causes for debarment are set forth in Subsection C of this Section. The chief procurement officer may suspend a person from consideration for award of contracts if he determines that there is probable cause to believe that such person has engaged in any activity which might lead to debarment. (3) Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals.

(4) Violation of contract provisions, as set forth below, of a character which is regarded by the chief procurement officer to be so serious as to justify debarment action:

(a) Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract.

(b) A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for debarment.

(5) Any other cause the chief procurement officer determines to be so serious and compelling as to affect responsibility as a state contractor, including debarment by another governmental entity for any cause listed in regulations.

(6) Violation of the ethical standards set forth in Chapter 15 of Title 42.

SUBPART B. LEGAL AND CONTRACTUAL REMEDIES FOR PROFESSIONAL, PERSONAL, CONSULTING, AND SOCIAL SERVICES CONTRACTS

§1672.1. Applicability of Part

This Part applies only to those contracts solicited and entered into after the effective date of this Chapter, unless the parties agree in writing to its application to a contract entered into prior to that effective date.

§1672.2. Authority of the commissioner of administration

Prior to the institution of any action in a court concerning any contract, claim or controversy, the commissioner of administration with the concurrence of the attorney general is authorized to compromise, pay, or otherwise adjust the claim by or against or a controversy with a contractor relating to a professional, personal, consulting, or social service contract entered into with the state under their respective authority, including a claim or controversy based on breach of contract, mistake, misrepresentation, or other cause for contract modification or rescission. Nothing herein shall limit the authority of the commissioner of administration, pursuant to rules and regulations to issue, negotiate, or accept changes in the terms and

conditions of a contract. When authorized, such compromise, payments, or adjustments shall be promptly paid; however, subject to any limitations or conditions imposed by rule or regulation, the commissioner of administration shall charge back all or any portion of such payments to the department or departments for whose benefit the contract was let.

§1672.3. Action on contract claims

This Section applies to a claim by or controversy between the state and a contractor arising out of a contract for professional, personal, consulting, or social services. If such a claim or controversy is not resolved by mutual agreement, the commissioner of administration, or his designee, shall promptly issue a decision in writing. A copy of that decision shall be mailed or otherwise furnished to the contractor, shall state the reasons for the action taken, and shall inform the contractor of his right to judicial relief as provided in this Subpart. The decision shall be final and conclusive unless fraudulent, or unless the contractor institutes suit pursuant to this Subpart. If the commissioner of administration, or his designee, does not issue a written decision within one hundred twenty days after written request for a final decision, or within such longer period as may be established in writing by the parties to the contract, then the contractor may proceed as if an adverse decision had been received.

§1672.4. Jurisdiction; actions in certain cases

A. The Nineteenth Judicial District Court, subject to appeal or review by the First Circuit Court of Appeal or by the supreme court, as otherwise permitted in civil cases by law and the state constitution, shall have jurisdiction over any claims arising out of a request for proposal or award of a contract, any controversies involving the state, or any other matters in connection with a petition for review of a decision made pursuant to this Chapter, following the exhaustion of administrative remedies as provided by law or regulation.

B. In any action by a contractor based upon any express or implied contract or breach thereof, no action shall be maintained based upon any contract or any act of any state officer which the officer is not authorized to make or do by the laws of this state, unless the contractor, acting in good faith and without actual or constructive knowledge of the lack of authorization, has commenced performance under the apparent contract. In that event, the court may (1) cancel the contract and reimburse the contractor only for the actual expenses incurred in performing the work already performed or (2) where the best interests of the state require, allow the performance of the contract to continue.

In determining if a business is dominant, the following criteria, among others, shall be considered: number of employees; volume of business; financial resources; competitive status or position; ownership or control of materials, processes, patents, license agreements, and facilities; sales territory; and nature of business activity.

(3) "Services" means the furnishing of labor, time, or effort by a contractor, not involving the delivery of a specific end product other than reports which are merely incidental to the required performance. This term shall include those services covered by this Chapter and services performed by an architect, engineer, or landscape architect as provided by Part VII of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950. This term shall not include collective bargaining agreements.

The commissioner shall divide the procurements so designated into contract award units of economically feasible production runs in order to facilitate offers or bids from small businesses. In making his annual designation of set-aside procurements the commissioner shall attempt to vary the included procurements so that a variety of goods and services produced by different small businesses shall be set aside each year. The failure of the commissioner to set aside particular procurements shall not be deemed to prohibit or discourage small businesses from seeking the procurement award through the normal solicitation and bidding processes.

B. Contract procedure. The commissioner shall establish a contract procedure in accordance with law, for the awarding of a procurement contract under the set-aside program established in this Part. Surety bonds guaranteed by the federal small business administration shall be acceptable security for a construction award under this Part.

At least ten percent of the value of the procurements designated for set-aside awards shall be awarded, if possible to businesses owned and operated by socially or economically disadvantaged persons. In the event small businesses owned and operated by socially or economically disadvantaged persons are unable to perform at least ten percent of the set-aside awards, then the commissioner shall award the balance of the set-aside contracts to other small businesses.

E. Preference to women. At least ten percent of the value of the procurements designated for set-aside awards shall be awarded, if possible, to businesses owned and operated by women. In the event small businesses owned and operated by women are unable to perform at least ten percent of the set-aside awards, then the commissioner shall award the balance of the set-aside contracts to other small businesses.

F. Award of contracts after unsuccessful set-aside procedures. In the event that the provisions of this Part do not operate to extend a contract award to a small business, the award shall be placed pursuant to the existing solicitation and award provisions established by law. The commissioner shall thereupon designate and set aside for small businesses additional state procurements corresponding in approximate value to the contract unable to be awarded pursuant to the provisions of this Part.

G. Conflict with other code provisions. All laws and rules pertaining to solicitations, bid evaluations, contract awards, and other procurement matters shall apply as consistent to procurements set aside for small businesses. In the event of conflict with other rules, the provisions of this Part shall govern.

§1734. Assistance to small businesses

The commissioner of administration and the executive director of the Louisiana division of minority and women's business enterprise in the Department of Economic Development shall publicize the provisions of the set-aside program, attempt to locate small businesses able to perform set-aside

procurement awards, and encourage participation. When the commissioner of administration determines that a small business is unable to perform under a set-aside contract, he shall so inform the secretary of economic development, who shall assist the small business in attempting to remedy the causes of the inability to perform a set-aside award. In assisting the small business, the executive director of the Louisiana division of minority and women's business enterprise, in cooperation with the commissioner of administration, shall use any management or financial assistance programs that may be available by or through the Louisiana division of minority and women's business enterprise or other state or governmental agencies.

This report shall include the following information:

PART X. REQUIREMENTS OF CONTRACTS

§1758. Repealed by Acts 2011, No. 343, §5.

CHAPTER 17-A. STATE EQUIPMENT-LEASE-PURCHASE

§1761. Short title

This Chapter shall be known and may be cited as the State Lease-Purchase Act.

§1762. Legislative findings and intent

The intent of the legislature in enacting this Chapter is to provide a cost effective means of acquiring essential equipment for the operation of state government. Commercial leases or renting agreements as well as lump sum purchases of equipment have created a burden on the finances of the state, and it has been determined that, pursuant to this Chapter, essential equipment may be obtained using an equipment-lease-purchase contract in conjunction with tax-exempt financing and earnings on investments by nonprofit lessors resulting in lower net equipment costs to the state.

§1763. Definitions

As used in this Chapter, the words defined in this Section shall have the meanings set forth below, unless the context in which they are used clearly requires a different meaning or a different definition is prescribed for a particular provision:

(1) "Annual appropriation dependency requirement" means a provision which shall be included in the contract and the documents relating to each equipment-lease-purchase contract which provides that after a diligent and good faith effort by the state legislature to appropriate funds for the payment of sums due under such lease for the next ensuing fiscal year, if such funds are not appropriated for such fiscal year, such lease shall terminate in accordance with the terms of the lease at the end of the current fiscal year and the state shall not be liable for the payment of further rental payments not already incurred due on such lease past the then current fiscal year, provided the equipment is returned to the nonprofit lessor or his agent, as provided in the equipment-lease-purchase contract.

(2) "Applicable purchasing agency" shall mean the Division of Administration of the state except as provided in R.S. 39:1572, in which case those agencies listed therein shall have the option to participate in the program established by the provisions of this Chapter and on exercising that option shall be the applicable purchasing agency for equipment for use by that agency which is the subject of a lease-purchase contract under this Chapter, provided that the secretary of the Department of Wildlife and Fisheries, when acquiring equipment for the Department of Wildlife and Fisheries using monies from the Rockefeller Fund, the Marsh Island Fund, or the State Wildlife Refuge Fund, shall have the option to participate under the provisions of this Chapter.

(3) "Equipment-lease-purchase contract" means the lease-purchase contract in the form approved by the State Bond Commission and the commissioner of administration between the state and a nonprofit lessor providing for an obligation to lease equipment approved pursuant to R.S. 39:1771 and the lease of selected equipment designated by an applicable purchasing agency.

(4) "Lessee" shall mean the state of Louisiana through the Division of Administration on behalf of all applicable purchasing agencies which have equipment included in any equipment-lease-purchase contract.

(5) "Nonprofit lessor" or "lessor" means a public corporation or public trust organized pursuant to state law having for its beneficiary the state, organized as a not-for-profit entity no portion of the net earnings or other assets of which inure to the benefit of any private shareholder or individual, and which shall be authorized under state law to issue obligations for equipment acquisition the interest on which is exempt from calculation of gross income for federal income tax purposes.

(6) "Selected equipment" means the equipment, as determined by the applicable purchasing agency, which shall be the subject of a lease-purchase contract under the provisions of this Chapter, as approved by the legislature and the State Bond Commission.

(7) "Selected vendor" means a supplier, manufacturer, retailer, wholesaler, dealer, or other source for selected equipment which has been selected by the applicable purchasing agency pursuant to general state law.

(8) "State" means the state of Louisiana, and for purposes of execution of equipment-lease-purchase contracts, the Division of Administration of the state, which shall be considered the lessee for all applicable purchasing agencies for the purposes of this Chapter.

§1764. Equipment-lease-purchase contracts with nonprofit lessors authorized; term

The state through the Division of Administration may enter into equipment-lease-purchase contracts directly with nonprofit lessors, as provided in this Chapter, for a term not to exceed ten years or the reasonably expected economic life of the equipment, whichever is less, as determined by the applicable purchasing agency, notwithstanding any provisions of R.S. 9:2347(J), R.S. 39:197, R.S. 39:198, R.S. 39:1615, R.S. 39:1753 or any other law to the contrary.

§1765. Procurement of equipment; general law applicable

A. No equipment may be leased under a lease-purchase contract under the terms of this Chapter unless such equipment, the estimated price, the estimated economic useful life, and the selected vendor thereof is identified by the applicable purchasing agency pursuant to state law regarding the procurement of equipment. After such equipment and the selected vendor thereof have been identified, the applicable purchasing agency electing to participate in a lease-purchase contract with a nonprofit lessor under the term of this Chapter shall notify such nonprofit lessor of the selected equipment, price, and selected vendor, whereupon such nonprofit lessor shall be responsible for the purchase of such equipment, but only with

such funds as are currently available to such nonprofit lessor for such purpose, from such vendor and shall include such selected equipment under the schedule of leased equipment under the lease-purchase contract with the state, subject to the provisions of Section 1766 of this Chapter. In the event that the nonprofit lessor is itself subject to the state law regarding procurement of equipment, the purchase of selected equipment from selected vendors for the purposes of this Chapter need not be separately bid and the selection process completed by the applicable purchasing agency shall be imputed to the nonprofit lessor.

B. The purchase of the selected equipment by the nonprofit lessor shall be subject to only those state and local sales and use taxes which the lessee would have been subject to if the selected equipment had been purchased directly by the lessee. If the lessee is subject to sales and use taxes upon a direct purchase of the selected equipment by the lessee, the nonprofit lessor shall be so subject; however, in such cases the lessee shall not be subject to a sales and use tax on the lease payments to the nonprofit lessee.

C. Notwithstanding any provision of law to the contrary, the selected equipment shall not be subject to any lien or other encumbrance asserted by, and shall be exempt from seizure, under any writ, mandate, or process whatsoever by the creditors of the nonprofit lessor or by creditors of or those claiming against or through the lessee. The exemption from seizure provided in this Subsection shall not be construed to prohibit the nonprofit lessor from entering into contracts, indentures of trust, mortgages, or other security devices pursuant to which the nonprofit lessor expressly grants a security interest in and to the selected equipment nor is the exemption from seizure to be construed to invalidate or in any way restrict such contracts, indentures, mortgages, or other security agreements pursuant to which the nonprofit lessor has heretofore granted or may hereafter expressly grant a security interest in and to the selected equipment which may include the right to seize the selected equipment.

§1766. Selection of nonprofit lessor; award of lease

A lease-purchase contract with a nonprofit lessor for one or more pieces of selected equipment may be executed between the state and a nonprofit lessor by competitive negotiation, provided that a notice stating the estimated principal amount of any proposed lease, the equipment to be leased, the interest rate factor to be computed in the lease payments, and the date, time, and place of the execution of the proposed lease shall be published in the official state journal at least twice within a fifteen-day period before such execution date with the last publication at least seven days prior to the proposed execution date. Any nonprofit lessor may submit a proposal as lessor under the lease. The nonprofit lessor submitting the proposal most advantageous to the state shall be selected as lessor under the lease-purchase contract. However, if it is determined that there is not a proposal which is advantageous to the state, the Division of Administration may reject all proposals. Publication of the notice shall be the responsibility of the proposed nonprofit lessor.

§1767. Appropriation dependency

All lease-purchase contracts entered into pursuant to this Chapter shall contain an annual appropriation dependency requirement to the effect that renewal and continuation of such contract is contingent upon the appropriation of funds to fulfill the requirements of the contract and if the legislature, after a diligent and good faith effort, fails to appropriate sufficient monies to provide for the continuation of a contract, or if such appropriation cannot be effected, the contract shall terminate in accordance with the terms of the lease on the last day of the last fiscal year for which funds were appropriated, provided the equipment is returned to the nonprofit lessor or his agent, as provided in the equipment-lease-purchase contract and such contract shall not be a long-term debt of the state or the applicable purchasing agency. In addition, in such equipment-lease-purchase contracts, the nonprofit lessor shall covenant and agree to indemnify and hold the lessee harmless against any loss, damage, liability, cost, penalty, or expense, including attorney fees, which is not otherwise agreed to by the lessee in the equipment-lease-purchase contract and which is incurred and arises upon a failure of the legislature to appropriate funds in the manner described above for a continuation of the contract or the exercise of the option to purchase the selected equipment.

§1768. Purchase option

All equipment lease purchase contracts shall provide that the lessee shall have the right to purchase any piece of selected equipment at the termination of payments for such piece of equipment as set forth in the lease-purchase contract for a sum not to exceed one dollar.

§1769. Lease status

Any equipment-lease-purchase contract entered into pursuant to this Chapter, shall be treated as a lease for all legal purposes without regard to the rights and obligations of the lessee at lease termination or any interest payment factor, and without necessity of filing a chattel mortgage. The nonprofit lessor therein shall be deemed owner of the selected equipment during the term of the lease. In addition, the selected equipment shall be deemed to be movable property for all purposes and shall not become a component part of any immovable property notwithstanding any provisions of law to the contrary including but not limited to Civil Code Articles 465, 466, 467, 493, 493.1, or 495.

§1770. Equipment warranty; pursuit of actions

All equipment-lease-purchase contracts shall provide that whatever interests, claims, and rights including warranties of the selected equipment which the nonprofit lessor may have against the selected vendor of the selected equipment which is the subject of an equipment-lease-purchase contract shall be assigned to the lessee, and the lessee or the applicable purchasing agency shall have full right to pursue any and all remedies available to the nonprofit lessor for breach of any warranty against the selected vendor. In addition, all equipment-lease-purchase contracts shall provide that the nonprofit lessor shall be obligated to join the lessee or applicable purchasing agency as a party plaintiff in any cause if required under state law for a successful pursuit of such action. Upon termination of the lease-purchase contract, unless the option to purchase is exercised, all such interests, claims, and rights assigned to the lessee under this Section shall revert to the lessor. In addition, any lease-purchase contract shall provide that the lessee has no right to alienate or encumber the selected equipment during the term of the lease.

§1771. Approval by the legislature, State Bond Commission; rules and regulations by the Division of Administration

A. No equipment-lease-purchase contract may be effected under the provisions of this Chapter unless the prior written approval of the form of the lease is obtained from the State Bond Commission and the commissioner of administration. Equipment to be included as the subject of an equipment-lease-purchase contract hereunder shall be approved by the Division of Administration and included in the executive budget as provided in Part II of Chapter 1 of Title 39 of the Louisiana Revised Statutes of 1950 and shall be approved by the legislature in the General Appropriation Act. Substitutions and deletions of equipment to be leased shall be authorized upon recommendation by the Division of Administration, provided that such substitution or deletion shall have the prior written approval of the Joint Legislative Committee on the Budget.

B. The Division of Administration shall promulgate rules and regulations necessary to the proper and efficient implementation of the provisions of this Chapter.

E. Each violation of this Section may be treated as a separate violation or may be combined into one violation at the option of the attorney general.

F. No action brought pursuant to this Section shall be instituted later than ten years after the date upon which the alleged violation occurred; however, the action shall be instituted within one year of when the attorney general knew that the prohibited conduct occurred.

§2155. Civil actions authorized

C. (1) A prevailing defendant may only seek recovery for costs, expenses, fees, and attorney fees if the court finds, following a contradictory hearing, that either of the following apply:

B. Except as limited by this Section, any person who is found to have violated any provision of this Chapter shall be subject to a civil fine in an amount not to exceed three times the amount of actual damages sustained by the hurricane relief programs as a result of the violation.

C. In addition to any other penalty or fine imposed herein, any person who is found to have violated any provision of this Chapter shall be subject to a civil monetary penalty of not more than ten thousand dollars for each false or fraudulent claim, misrepresentation, illegal remuneration, or other act prohibited by this Chapter.

(3) The attorney general shall promptly remit awards for those costs, expenses, and fees incurred by the various clerks of court or sheriffs involved in the investigations or proceedings to the appropriate clerk or sheriff.

§2157. Qui tam action; civil action filed by private person

A. A private person may institute a civil action to seek recovery on behalf of hurricane relief programs and himself, except for the civil monetary penalty provided in R.S. 39:2156(C), for a violation of this Chapter. The institutor shall be known as a "qui tam plaintiff" and the civil action shall be known as a "qui tam action".

B. (1) A qui tam plaintiff shall be an original source of the information which serves as the basis for the alleged violation. More than one person may serve as a qui tam plaintiff in a qui tam action arising out of the same information and allegations provided each person qualifies as an original source.

(2) For purposes of this Section, the term "original source" means a person who has direct and independent knowledge of the alleged violation and who has voluntarily provided the information to the attorney general before filing a qui tam action with the court.

C. No qui tam action shall be instituted later than one year after the date a qui tam complaint is received by the attorney general.

D. (1) No court shall have jurisdiction over a qui tam action based upon a disclosure of allegations or transactions in a criminal, civil, or administrative hearing or as the result of disclosure of a governmental audit report, investigation, or hearing unless the person bringing the action is an original source of the information.

(2) No court shall have jurisdiction over a qui tam action based upon a disclosure through the media unless the person bringing the action is an original source of the information and that fact is confirmed by a person with knowledge of who provided the information.

E. (1) A person who is or was a public employee or public official or a person who is or was acting on behalf of the state shall not bring a qui tam action if the person has or had a duty or obligation to report, investigate, or pursue allegations of wrongdoing or misconduct by persons who apply for relief from or work for hurricane relief programs.

(2) A person who is or was a public employee or public official or a person who is or was acting on behalf of the state shall not bring a qui tam action if the person has or had access to records of the state through the normal course and scope of his employment or other relationship with the state.

F. No employer of a qui tam plaintiff shall discharge, demote, suspend, threaten, harass, or discriminate against a qui tam plaintiff at any time arising out of the fact that the qui tam plaintiff brought an action pursuant to this Chapter unless the court finds that the qui tam plaintiff has instituted or proceeded with an action that is frivolous, vexatious, or harassing.

G. The court shall allow the attorney general to intervene and proceed with the qui tam action in the district court at any time during the qui tam action proceedings.

H. Notwithstanding any other law to the contrary, a qui tam complaint and information filed with the attorney general shall not be subject to discovery or become public record until judicial service of the qui tam action is made on any of the defendants, except that the information contained therein may be given to other governmental entities or their authorized agents for review and investigation. Such entities and their authorized agents shall maintain the confidentiality of the information provided to them under this Subsection.

§2158. Qui tam action procedures

A. The following procedures shall be applicable to a qui tam action:

(1) The complaint shall be captioned: "Hurricane Relief Programs Ex Rel.: [insert name of qui tam plaintiff(s)] v. [insert name of defendant(s)]".

(2) (a) A copy of the qui tam complaint and written disclosure of substantially all material evidence and information each qui tam plaintiff possesses shall be filed with the attorney general.

- (b) The qui tam complaint and written disclosure of substantially all material evidence and information shall be filed with the attorney general within one year of the date the qui tam plaintiff knew or should have known of the information forming the basis of the complaint. No qui tam action shall be instituted by a qui tam plaintiff if he fails to timely file a complaint with the attorney general.
- (3) (a) At least thirty days after filing with the attorney general, the qui tam complaint and information may be filed with the appropriate state district court. On the same date as the qui tam action is filed, the qui tam plaintiff shall serve the attorney general with notice of the filing.
- (b) If more than one qui tam action arising out of the same information and allegations is filed, the court shall dismiss all qui tam actions where the complaint and information filed with the attorney general were filed thirty days or more after the first qui tam complaint and information which serve as the basis for the alleged violation were filed with the attorney general.
- (4) (a) The complaint and information filed with the court shall be made under seal, shall remain under seal for at least ninety days from the date of filing, and shall be served on the defendant when the seal is removed.
- (b) For good cause shown, the attorney general may request one extension of the ninety-day time period for the complaint and information to remain under seal and unserved on the defendant. This request shall be supported by affidavit or other submission in camera and under seal.

B. (1) If the attorney general elects to intervene in the action, the attorney general shall not be bound by any act of a qui tam plaintiff. The attorney general shall control the qui tam action proceedings on behalf of the state and the qui tam plaintiff may continue as a party to the action.

(2) The qui tam plaintiff and his counsel shall cooperate fully with the attorney general during the pendency of the qui tam action.

(3) If requested by the attorney general and notwithstanding the objection of the qui tam plaintiff, the court may dismiss the qui tam action provided the qui tam plaintiff has been notified by the attorney general of the filing of the motion to dismiss and the court has provided the qui tam plaintiff a contradictory hearing on the motion.

(4) If the attorney general does not intervene, the qui tam plaintiff may proceed with the qui tam action unless the attorney general shows that proceeding would adversely affect the prosecution of any pending criminal actions or criminal investigations into the activities of the defendant. Such a showing shall be made to the court in camera and neither the qui tam plaintiff or the defendant shall be informed of the information revealed in camera. In which case, the qui tam action shall be stayed for no more than one year.

(5) If the qui tam plaintiff objects to a settlement of the qui tam action proposed by the attorney general, the court may authorize the settlement only after a hearing to determine whether the proposed settlement is fair, adequate, and reasonable under the circumstances.

C. If a qui tam plaintiff fails to comply with any provision of this Chapter, after a contradictory hearing, the court may dismiss the qui tam plaintiff on its own motion or on motion made by the attorney general.

D. A defendant shall have thirty days from the time a qui tam complaint is served on him to file a responsive pleading.

E. The qui tam plaintiff and the defendant shall serve all pleadings and papers filed, as well as discovery, in the qui tam action on the attorney general.

F. (1) Whether or not the attorney general proceeds with the action, upon showing by the attorney general that certain actions of discovery by the qui tam plaintiff or defendant would interfere with a criminal or civil investigation or proceeding arising out of the same facts, the court shall stay the discovery for a period of not more than ninety days.

(2) Upon a further showing that federal or state authorities have pursued the criminal or civil investigation or proceeding with reasonable diligence and any proposed discovery in the qui tam action would unduly interfere with the criminal or civil investigation or proceeding, the court may stay the discovery for an additional period, not to exceed one year.

(3) Such showings shall be conducted in camera and neither the defendant nor the qui tam plaintiff shall be informed of the information presented to the court.

(4) If discovery is stayed pursuant to this Subsection, the trial and any motion for summary judgment in the qui tam action shall likewise be stayed.

§2159. Administrative or civil action

Notwithstanding any other provision of this Chapter, the attorney general may elect to pursue an administrative or civil action against a qui tam defendant through any alternative remedy available to the attorney general.

§2160. Recovery awarded to a qui tam plaintiff

A. (1) Except as provided by Subsection D of this Section and Paragraph (3) of this Subsection, if the attorney general intervenes in the action brought by a qui tam plaintiff, the qui tam plaintiff shall receive at least ten percent, but not more than twenty percent, of actual damages and civil fines awarded by the court, exclusive of the civil monetary penalty provided in R.S. 39:2156(C).

(2) In making a determination of award to the qui tam plaintiff, the court shall consider the extent to which the qui tam plaintiff substantially contributed to investigations and proceedings related to the qui tam action.

(3) If the court finds the allegations in the qui tam action to be based primarily on disclosures of specific information other than information provided by the qui tam plaintiff, the court may award less than ten percent of actual damages and civil fines awarded by the court, exclusive of the civil monetary penalty provided in R.S. 39:2156(C), taking into account the significance of the information and the role of the qui tam plaintiff in advancing the qui tam action to judgment or settlement.

B. Except as provided by Subsection D of this Section, if the attorney general does not intervene in the qui tam action, the qui tam plaintiff shall receive an amount, not to exceed thirty percent of actual damages, civil fines, and the civil monetary penalty provided for in R.S. 39:2156(C), which the court decides is reasonable for the qui tam plaintiff pursuing the action to judgment or settlement.

C. (1) In addition to all other recovery to which he is entitled and if he prevails in the qui tam action, the qui tam plaintiff shall be entitled to an award against the defendant for costs, expenses, fees, and attorney fees, subject to review by the court using a reasonable, necessary, and proper standard of review.

(2) If the attorney general does not intervene and the qui tam plaintiff conducts the action, the court shall award costs, expenses, fees, and attorney fees to a prevailing defendant if the court finds that the allegations made by the qui tam plaintiff were meritless or brought primarily for the purposes of harassment. A finding by the court that qui tam allegations were meritless or brought primarily for the purposes of harassment may be used by the prevailing defendant in the qui tam action or any other civil proceeding to recover losses or damages sustained as a result of the qui tam plaintiff filing and pursuing such a qui tam action.

D. Whether or not the attorney general intervenes, if the court finds that the action was brought by a person who participated in the violation which is the subject of the action, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the qui tam plaintiff would otherwise receive under Subsection A or B of this Section, taking into account the role that the qui tam plaintiff played in advancing the case to judgment or settlement and any relevant circumstances pertaining to the qui tam plaintiff's participation in the violation. A person who planned the violation shall not be entitled to recovery.

E. When more than one party serves as a qui tam plaintiff, the share of recovery each receives shall be determined by the court. In no case, however, shall the total award to multiple qui tam plaintiffs be greater than the total award allowed to a single qui tam plaintiff under Subsection A or B of this Section.

F. In no instance shall the attorney general or the state be liable for any costs, expenses, fees, or attorney fees incurred by the qui tam plaintiff or for any award entered against the qui tam plaintiff.

G. The percentage of the share awarded to or settled for by the qui tam plaintiff shall be determined using the total amount of the award. However, the total amount of funds lost from the hurricane relief

programs must be made whole through the payment of any and all actual damages prior to the disbursement of any funds related to the percentage of the damages to be received by the qui tam plaintiff.

§2161. Repealed by Acts 2012, No. 834, §13, eff. July 1, 2012.

§2162. Rewards for fraud and abuse information

A. The attorney general may provide a reward of up to two thousand dollars to an individual who submits information to the attorney general which results in recovery pursuant to the provisions of this Chapter, provided such individual is not himself subject to recovery under this Chapter.

B. The attorney general shall grant rewards only to the extent monies are appropriated for this purpose by the legislature. The attorney general shall determine the amount of a reward, not to exceed two thousand dollars per individual per action, and establish a process to grant the reward in accordance with rules and regulations promulgated in accordance with the Administrative Procedure Act.

§2163. Whistleblower protection and cause of action

A. No employee shall be discharged, demoted, suspended, threatened, harassed, or discriminated against in any manner in the terms and conditions of his employment because of any lawful act engaged in by the employee or on behalf of the employee in furtherance of any action taken pursuant to this Chapter in regard to a person from whom recovery is or could be sought. Such an employee may seek any and all relief for his injury to which he is entitled under state or federal law.

B. No individual shall be threatened, harassed, or discriminated against in any manner by a business organization, government agency, or other person because of any lawful act engaged in by the individual or on behalf of the individual in furtherance of any action taken pursuant to this Chapter in regard to a person from whom recovery is or could be sought. Such an individual may seek any and all relief for his injury to which he is entitled under state or federal law.

C. (1) An employee of a private entity may bring his action for relief against his employer in the same court as the action or actions were brought pursuant to this Chapter.

(2) A person aggrieved of a violation of Subsection A or B of this Section shall be entitled to treble damages.

D. A qui tam plaintiff shall not be entitled to recovery pursuant to this Section if the court finds that the qui tam plaintiff instituted or proceeded with an action that was frivolous, vexatious, or harassing.

(THE VETERAN INITIATIVE)**

**§2171. Louisiana Initiative for Veteran and Service-Connected Disabled Veteran-Owned Small
Entrepreneurships; intent**

A. The legislature hereby establishes the Louisiana Initiative for Veteran and Service-Connected Disabled Veteran-Owned Small Entrepreneurships (the Veteran Initiative), hereinafter referred to in this Chapter as the "initiative", to facilitate the growth and stability of Louisiana's economy by fostering utilization by state interests of the business offerings available for state procurement and public contracts from Louisiana's veteran and service-connected disabled veteran-owned small entrepreneurships, and providing a clearinghouse of information to these entrepreneurships. Veterans of the United States Armed Forces have served the state of Louisiana and the United States, often at great risk, to preserve the American dream of freedom and prosperity. Given the magnitude of the state's procurement and public contracting activity, state government is uniquely situated to create an environment where veteran and service-connected disabled veteran-owned small entrepreneurships have an opportunity to thrive and ultimately enhance the stability of Louisiana's economy.

B. The provisions of this Chapter are intended to encourage business opportunities for veteran and service-connected disabled veteran-owned small entrepreneurships. The criteria for certification as a

veteran and service-connected disabled veteran-owned small entrepreneurship for the purposes of the initiative shall be as established in R.S. 39:2006, and as may be additionally refined by administrative rule.

As part of development of goals, the commissioner may consider the capacity of veteran and service-connected disabled veteran-owned small entrepreneurships available to participate in meeting goals, which may be determined based on past experience, available veteran and service-connected disabled veteran-owned small entrepreneurship certifications, and recognized industry composition. - (6) Ten percent of the total evaluation points in a request for proposal shall be awarded to an offeror who is a certified veteran and service-connected disabled veteran-owned small business entrepreneurship. The mandatory award of evaluation points required by this Paragraph shall be included in all requests for proposals, unless the inclusion jeopardizes funding for the procurement or violates any other provision of law. Any request for an exemption from the requirements of this Paragraph shall be submitted in writing to the commissioner of administration who shall either deny or approve the request. The provisions of this Paragraph shall not apply to design-build or construction manager at risk methods of construction.

This information shall be developed from data provided to the commissioner by the Department of Economic Development.

F. The commissioner may adopt and promulgate rules and regulations he deems necessary for implementation and administration of the provisions of this Chapter, pursuant to the Administrative Procedure Act.

B. Each agency shall maintain current data relating to its procurement and public contract activities with respect to the requirements of this Chapter. The agency shall be prepared to provide to the commissioner of administration, upon request, the total number and dollar value of all contracts awarded to veteran and service-connected disabled veteran-owned small entrepreneurships in that fiscal year, as well as contracts which provided a good faith veteran and service-connected disabled veteran-owned small entrepreneurship subcontracting plan.
