Map of LOUISIANA showing OLD HIGHWAY MARKER SYSTEM

For your travel convenience the Louisiana Department of Highways is renumbering the State Highway System. This face of the map shows the old numbers and the reverse side shows the new numbers. If the route marking in place does not appear on this face please refer to the map on the front. No change in numbering is being made on the US Marker System.

Thank you.

For Safety's Sake

PLEASE OBSERVE

THESE HIGHWAY LAWS

1. Do not exceed the following statutory speed limits:

Rural areas

Automobiles	60 miles per hour
Buses	55 miles per hour
Trucks	45 miles per hour

Built up areas
All Vehicles 25 miles per hour

Do not drive at a speed greater than is reasonable and prudent with regard for existing conditions.
Do not drive while under influence of intoxicants or narcotics.
Do not pass school bus while taking on or discharging passengers.
Do not drive unless you have a driver's license (except residents of states not requiring a license).

THESE SAFETY SUGGESTIONS

Keep to the right of the center line, except while passing.
Don't overdrive the reach of your headlights at night.
Let the other fellow know what you are going to do—SIGNAL.
Dim your headlights when meeting another vehicle.

REPORT OF ACCIDENTS

The law requires that the driver of any motor vehicle involved in an accident resulting in the death or injury of any person, or property damage in the apparent estimate of $25.00 or more shall, within 24 hours, make a report of such accident to the State Police, or if the accident happens in a city, to the police department of that city.
